The editorial board of this journal will consider ecological papers which are in general long enough to make twenty printed pages or more. Shorter ecological papers should be submitted to the editor of *Ecology*, which is also published by the Ecological Society of America. Both journals are open to ecological papers from all fields of biological science.

Manuscripts should be typewritten with ample margins on 8½ x 11 in. paper. A "Table of Contents" should be included. Authors should try to conform in editorial detail in so far as it may be determined from inspection of recent numbers of the journal. Reprints, with or without covers, are obtainable at cost and should be ordered when proof is returned. Correspondence concerning editorial matters should be sent to the appropriate editor: that concerning subscriptions, change of address, and back numbers to the Business Manager, Duke University Press.

Subscription price: the United States, Canada, and the Pan-American Countries, \$6.00 per year; all other countries—\$6.00 a year additional for postage. Single numbers of the current volume are \$1.75. Back numbers, \$8.00 per volume, \$2.00 per number. Missing numbers will be supplied free when lost in the mails if written notice is received by the Circulation Manager within one month of date of issue. All remittances should be made payable to the Duke University Press, Box 6697, College Station, Durham, N. C.

Agents in Great Britain: The Cambridge University Press, Bentley House, 200 Euston Road, London, N.W. 1. Prices can be had on application.

Entered as second-class matter December 18, 1930, at the Post Office at Durham, North Carolina, under the Act of Congress of March 3, 1879.
